

E6

Even more specialities for even more enjoyment

Benefits at a glance

- Professional Aroma Grinder for ideal grinding results over the entire service life
- 11 various specialities at the touch of a button – including caffè Barista and lungo Barista
- Intelligent preheating and Pulse Extraction Process (P.E.P.®) for ultimate coffee quality
- CLARIS Smart supplies perfect water quality and is automatically recognised by the I.W.S.®

12.2%* more aroma and consistently high grind quality over the entire service life are the defining features of the Professional Aroma Grinder. The perfected grinder geometry achieves the optimum grinding curve. So: A higher proportion of fine particles in the grounds guarantees that the flavours unfold to perfection.

The new E6 perfectly combines variety with outstanding aesthetic appeal. Alongside coffee classics and speciality coffees finished with milk foam, the E6 now also boasts: caffè Barista, lungo Barista, espresso doppio and macchiato.
